

## Employment Services in Caledon is Changing!

Effective July 30, 2010, **vpi Caledon Employment Assessment Centre** will no longer be offering their existing service at 30 Martha St. in Bolton. **Jobs Caledon, Caledon Community Services** will be the sole provider of employment services for the Caledon area effective August 1, 2010.

Employment Ontario is introducing a new Employment Service Delivery Model to make it easier for you as job seekers and employers to find all employment and training program services within one agency. To serve your needs, **Jobs Caledon** will be transitioning into the new full suite of services as directed by Employment Ontario. Changes will take place over the next few months, and will result in easier access to services based on your interests and needs.

For more information about the upcoming changes, please contact **Jobs Caledon, Caledon Community Services** located at 18 King St. East, Upper Level in Bolton (905-584-2300 or [www.ccs4u.org](http://www.ccs4u.org)) or visit the Employment Ontario website at [www.eopg.ca](http://www.eopg.ca).

Best wishes for a successful future.
