

Do you like to have fun?  
Lead an activity, share your knowledge or just enjoy  
the company of someone else?

Then come and be a part of a new dynamic  
group of volunteers called:

# Social Divas

- Provide mini manicures/hand massages in social setting at a local seniors residence
- Share your knowledge of arts/crafts and lead the group in an activity
- Play an instrument and lead the group in a musical sing-a-long
- Share conversation over tea/coffee and enjoy the company.

Join the group to have fun and meet new people!
