

Interested in Volunteering to Make a Difference?

Caledon Community Services Volunteer Information Sessions

The first step in volunteering is to attend an information and orientation session. During the session, you will have the opportunity to learn about our various programs as well as the different volunteer positions available! You will also have the opportunity to complete the application process and meet with a member of the Volunteer & Community Relations team to discuss where you might be best suited to volunteer with CCS

Upcoming Information sessions are as follows:

Monday April 12th, 3:30 pm
Wednesday April 21st, 10:00am
Monday April 26th, 3:30pm

*All sessions occur at our main office at 18 King Street East in Bolton.

If you would like to register and attend an information session or have any other questions, please call the Volunteer & Community Relations team directly.
